Welcome to the New Knoxville

Our great city has experienced so many positive changes over the last year with major downtown renovation, updated building facades everywhere and new and creative businesses to delight visitors and residents alike. The former Veteran's Hospital campus is now home to many new single family homes with a plan for many more, plus rental units and seniors housing. The Veteran's Park splash pad has been completed for the enjoyment of visitors and the entire Knoxville community.

Knoxville is proud to be the home of the Sprint Car Hall of Fame and Museum and the Knoxville Nationals, the "Taj Mahal" of sprint car racing, offering fans the greatest sprint car racing experience in the world. We have the privilege of hosting over 150,000 guests and race fans to our wonderful city over the racing season.

We welcome the Des Moines Skydivers to our community as a great addition to the fun and entertainment Knoxville offers.

We are delighted to welcome the Ragbrai cyclists on the 24th of July. Check the City and Chamber of Commerce websites for event information.

The Explore Knoxville magazine highlights events, shops, restaurants, merchants, and businesses for visitors and residents, city maps, raceway shuttle routes and times to and from the raceway to downtown, essential public services, and much more.

For our visitors, thank you for coming. We hope you enjoy your time in Knoxville and take good memories home with you. You are always welcome and hope you will visit us again soon. We also want to thank our residents for your cooperation and continued support of the Knoxville community. We hope you are proud of the steps Knoxville has taken on the road to being the best it can be.

Sincerely,

Brian Hatch

Marion County Humane Society is a no kill shelter based out of Knoxville, Iowa.

Success Story: In October of 2022, Porche was found under an abandoned house. She was very pregnant and had 10 puppies. Porche was a loving, nurturing mother to her babies. One by one, her babies were adopted into loving homes. Porsche did not like men or other dogs. We worked with her and she learned to trust men and learned that she loved to play with other dogs. She made a lot of friends and we all fell in love with her. She patiently waited for her person and enjoyed love and playtime while she waited. Just in time for Christmas, her person came! She is now very loved by her new people, has an amazing fur brother to play with and gets to go on vacations and road trips! Below is a picture of Porche and her new family.

You can view all of our adoptable pets online. We update their availability regularly. If you see a pet you're interested in, contact the Marion County Humane Society.

As a dedicated Humane Society since 1986, Marion County Humane Society has discovered countless ways to make a positive difference in the lives and welfare of animals.
