Welcome to Knoxville

Knoxville has experienced many positive and vital changes over the past few years. We have and continue to enhance the face of our downtown. In the last year, we welcomed several downtown building renovations and two new bank buildings with drive-through kiosks.

We also welcomed new businesses to Knoxville. Smash & Grab Burger on Main to satisfy your burger habit, Knox and the Hound on North 3rd Street providing fun-filled pet daycare, boarding and training. Piersbacher Funeral Home provides caring services for your loved ones as well as being available for community and private events. Also, Knoxville welcomed the Des Moines Skydiving club to our community last year with great success.

Knoxville is the proud home of the Knoxville Nationals. During the racing season over 150,000 fans will experience the greatest sprint car racing in the world. The Sprint Car Hall of Fame and Museum houses 3 stories of sprint cars, photographs and all varieties of racing memorabilia.

Knoxville has been fortunate to attract housing development by companies such as Kading Properties, Origin Homes, Sage Homes Iowa, Hugerich Construction, and Overland Construction, resulting in the addition of over 550 single family homes, apartments and seniors' residences in the Veterans District over the next few years.

The Explore Knoxville 2025 magazine showcases shops, restaurants, merchants, businesses and events for residents and visitors, city maps, raceway schedules and shuttle routes to and from the raceway to downtown, public services and much more.

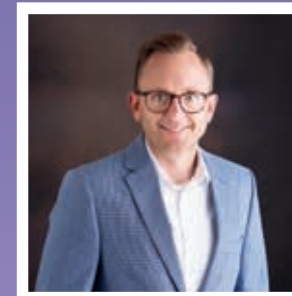

To our visitors, we thank you for coming. We hope you enjoy your time in Knoxville and take good memories home with you. You are always welcome and hope you will visit us again soon.

I also want to sincerely thank our residents for your continued support of the Knoxville community. You can be very proud of the steps Knoxville has taken to grow and be the best it can be. I feel privileged to be the Mayor of this great, progressive and forwarding thinking City of Knoxville.

Sincerely,

Brian Hatch
